Major Experiences

GOOD Magazine

Design Intern
Summer 2016

My summer at GOOD set me free as a professional and put my education in perspective. I created several illustrations & infographics which accompanied articles on good.is.

GOOD Magazine

Illustration & Digital Support
Summer 2017

Create Illustrations and find imagery to visually communicate the core ideas of articles published on good.is.

Iowa State Daily

Design Chief
Fall 2016

I led the creative team of the Nation's leading student paper, and created a manual on leadership and design thinking for my successors, which now defines the position.

Graphic Design Social Club

Founder & President
Fall '14–Spring '17

Make the world a better place! I founded an organization to change the culture of ISU Graphic Design from one that encouraged designers to work alone, to one that embraced the power of working together. Before graduation, the faculty of the program credited us with starting "a revolution" with a series of campaigns, now called, "the shots heard round the department."
